

Nolos Essential Guide To Divorce

It is the most up to date and complete guide to the past, present, and future of same-sex relationships that exists.

Protect yourself and your loved one with sound legal planning Gay and lesbian couples have gained a lot of legal ground in recent years, including the right to marry. Although same-sex marriage is legal, it s important to stay up to speed on the laws governing parentage, adoption, civil unions, and domestic partnerships, which vary from state to state. And if you choose to remain unmarried, it s essential that you protect your rights and define your relationship in the eyes of the law . A Legal Guide for Lesbian & Gay Couples can help. This plain-English guide shows you how to: have and raise children through adoption, donors, surrogacy, or foster parenting jointly buy a house or other property make decisions about living together, marrying, or registering make a will or living trust make medical decisions for each other, and deal with the end of a relationship. The 20th edition is completely revised to provide the latest on same-sex relationships and parentage laws. With Downloadable Forms: includes access to 35 essential legal forms, including a sample parenting agreement, a will, and more.(details inside).

“Determine what you own, how much it’s worth and how to divide it!”—Cover.

Whether for self-representation, to be an informed consumer of legal services, or to learn the U.S. legal system, more people than ever are using the library to obtain legal information and legal research advice. The new edition of Finding the Answers to Legal Questions is a comprehensive guide to help librarians confidently assist users in finding the legal information they need. Newly revised and updated, this timely, clearly organized, and easy-to-use resource is packed with guidance to help librarians answer questions that span the gamut of the law. An ideal book for practicing librarians looking to better serve users’ legal needs, as well as for students preparing for careers as librarians, it provides an overview of fundamental legal information, including the basic structure of the U.S. legal system and primary law;how-to instructions for finding primary law in print sources, free websites, and pay-for-view databases;information on how to evaluate the trustworthiness of online and print resources;tips for conducting a legal reference interview;guidance for handling common legal questions, such as lawsuits, family law, landlord-tenant disputes, wills and estate planning, debt, bankruptcy, employment, and criminal law; and advice on how to build a basic legal reference collection. This book will help librarians connect users to the most accurate, up-to-date legal information.

Nolo’s Essential Guide to Divorce provides clear answers that can help make divorce simpler and reduce its financial and emotional cost. Readers will even learn how to complete the divorce with minimal help from an attorney. With compassion and understanding, Nolo’s Essential Guide to Divorce explains what to expect through each stage of divorce. It helps readers: . understand the divorce process . learn about different types of divorce, including mediated, collaborative, and contested. . identify and divide property and assets fairly . work with mediators or lawyers . avoid expensive and painful court battles . establish child custody and visitation . handle child support issues, including how support is paid and enforced . draft a marital settlement agreement . deal with divorce emergencies . address post-divorce issues . negotiate and settle spousal support On every page, this book stresses the importance of minimizing conflict, explains complex legal problems concisely, and provides advice on how to protect your interests -- with your dignity and sanity intact. Plus, easy-to-use charts make it simple to find the divorce laws in your state. This edition includes new information on bankruptcy and foreclosure, and explains how both can affect divorce.

A psychotherapist’ s guide to codependency, narcissism, the treatment of narcissistic abuse, and achieving healthy love from yourself and others. Since the dawn of civilization, people have been magnetically and irresistibly drawn together, not so much by what they see, feel, and think, but more by invisible, unconscious romantic forces. This seductive, alluring, and seemingly impossible-to-avoid love force is the Human Magnet Syndrome. It bends oppositely-matched partners in a breakup-resistant, rollercoaster-like relationship. Magnetic-like attraction, or “ chemistry,” brings codependents and narcissists together in an enchanting fantasy that can never be sustained. Given time, a codependent ’ s soulmate dreams will predictably melt away, leaving them with the callmate reality. This revised and updated, breakthrough book not only explains why codependents habitually fall prey to harmful and manipulative narcissists, but also why they predictably sabotage their dreams for freedom, happiness, and self-love. Rosenberg ’ s pioneering work on relationships, codependency, and narcissism is a necessary road map for receiving healthy love—both from others and ourselves. Praise for The Human Magnet Syndrome “ I recommend The Human Magnet Syndrome to those who work in social services, education, chemical dependency, or the counseling fields and to the people they touch. It ’ s time to wake up and this brilliant book sounds the alarm we need.” —Melody Beattie, bestselling author of Codependent No More “ This book will help anyone understand the attractors of love and consequent suffering. I recommend it to couples who are mystified by the depth and repetition of their pain, and to therapists whose destiny is to help them.” —Harville Hendrix, bestselling co-author of Getting the Love You Want and creator of Imago Relationship Therapy

Resolve neighbor conflicts and get peace of mind Don ’ t let a neighborly nuisance turn into a nasty lawsuit. Learn your rights and responsibilities with Neighbor Law, the plain-English guide to the laws behind common neighbor disputes. Neighbor Law is more than a legal guide . It s a practical book filled with tips on how to solve problems and restore good neighbor relations. What Every Woman Should Know about Divorce and Custody

Software startups make global headlines every day. As technology companies succeed and grow, so do their engineering departments. In your career, you’ll may suddenly get the opportunity to lead teams: to become a manager. But this is often uncharted territory. How can you decide whether this career move is right for you? And if you do, what do you need to learn to succeed? Where do you start? How do you know that you’re doing it right? What does “it” even mean? And isn’t management a dirty word? This book will share the secrets you need to know to manage engineers successfully. Going from engineer to manager doesn’t have to be intimidating. Engineers can be managers, and fantastic ones at that. Cast aside the rhetoric and focus on practical, hands-on techniques and tools. You’ll become an effective and supportive team leader that your staff will look up to. Start with your transition to being a manager and see how that compares to being an engineer. Learn how to better organize information, feel productive, and delegate, but not micromanage. Discover how to manage your own boss, hire and fire, do performance and salary reviews, and build a great team. You’ll also learn the psychology: how to ship while keeping staff happy, coach and mentor, deal with deadline pressure, handle sensitive information, and navigate workplace politics. Consider your whole department. How can you work with other teams to ensure best practice? How do you help form guilds and committees and communicate effectively? How can you create career tracks for individual contributors and managers? How can you support flexible and remote working? How can you improve diversity in the industry through your own actions? This book will show you how. Great managers can make the world a better place. Join us. Specific to California, this book gives you practical and legal advice in clear, simple language that will answer your questions and guide you to a faster, smoother, less painful and less expensive divorce. Shows you how to stay out of court and complete your divorce with little or no help from an attorney. How to: • reduce conflict and avoid court battles• divide property fairly without a fight• deal with spousal support • deal with child support, custody and visitation • draft a settlement agreement Show more Show less When you ’ re getting divorced, you can make a tough time easier for your children (and yourself) if you and the other parent can create your own custody plan and agree on child support. If you can ’ t work out custody and support, you ’ ll have to head to court and ask a judge to step in Either way, Nolo ’ s Essential Guide to Child Custody & Support can help. You ’ ll learn: how negotiation and mediation can keep costs down, ease the transition for kids, and improve future dealings with your ex where to find your state ’ s child support guidelines how judges make custody decisions how to enforce and change custody and support orders how court trials work what military families need to know when you need a lawyer and how to work with one You ’ ll also find specifics about each state ’ s laws, including what factors courts consider when they rule on custody arrangements, what happens when one parent wants to move away with the children, and how you can change custody or support orders.

Divorce is a difficult passage, but there are practical things any couple can do, individually or together, to make the transition as painless as possible. Every divorcing couple needs the guidance in this book because, without it, the process will not go smoothly. Author Ed Sherman, an attorney with 35 years of experience and over 45,000 successful cases, shows how most divorces fit one of five profiles. He helps readers discover their profile then leads them through the process, step by step, of overcoming what can otherwise turn into major mental and monetary roadblocks. Through its communication, organizational, and negotiation tools, Make Any Divorce Better! not only saves readers money, but puts them - not lawyers or the courts - in charge of the process, allowing them to get it done faster, with a minimum of emotional and financial expense, and move on with their lives.

How to prepare and present a winning civil court case Many disputes are too big for small claims court but too small to justify a lawyer ’ s fee. Fortunately, if you ’ re willing to learn the courtroom ropes, you can successfully handle your own case from start to finish. Represent Yourself in Court breaks the pretrial and trial process down into easy-to-understand steps. Armed with these clear and thorough instructions, you ’ ll be well prepared to: draft and file court papers get help from an attorney or legal coach obtain and prepare your evidence, including social media postings handle depositions line up, prepare, and examine witnesses present an opening statement make and respond to objections pick a jury if necessary, and deal with the court clerk and judge Whether you ’ re a plaintiff or a defendant, this book will help you handle a bankruptcy, divorce, landlord-tenant dispute, breach of contract case, small business dispute , or any other civil lawsuit. The 10th edition is completely updated to include the latest rules and court procedures.

Divorce guidance you can count on Divorce is never easy, but with the information in Nolo’s Essential Guide to Divorce, you can make the process as simple, inexpensive, and conflict-free as possible. With compassion and expertise, the family law attorney Emily Doskow explains how to make divorce less painful by helping you: minimize day-to-day conflict with your spouse work with lawyers or mediators without breaking the bank avoid costly, exhausting court battles, and stay calm and make good decisions. You ’ ll learn about your legal rights and options for resolving tough divorce-related issues, including: child support and custody alimony property division, and drafting a marital settlement agreement. The 8th edition is completely updated with the latest state rules on divorce, such as property division and grounds for divorce.

A road map for late-life divorce Divorce can be devastating at any time, but the emotional and financial challenges are even greater for those who divorce later in life, with complicated issues of blended families, health care concerns, and retirement planning. Attorney Janice Green brings over 40 years of experience as a divorce lawyer, and in particular, her skill in counseling clients over 50, to Divorce After 50. She addresses: divorce options (including mediation and collaborative divorce) how to receive the best guidance from lawyers and professional advisors dividing marital property fairly retirement plan rules alimony, and keeping good health care. This award winner book also includes divorce survival stories that illustrate your options and provide encouragement. They got through it, and with the help of Divorce After 50, you can, too.

For the past three decades, ARBA has kept librarians up to date on the latest reference materials by providing high-quality, critical reviews. The 2007 edition of ARBA continues this great tradition by providing users with access to 1,600-plus reviews of both print and online resources, written by more than 400 academic, public, and school librarians who are experts in their field. With coverage of nearly 500 subject disciplines, ranging from the social sciences and humanities to science and technology, users are guaranteed to find information on the latest resources available in the areas they are most trying to expand their collection. With ARBA in hand, collection development librarians can manage their library’s high standards of quality, and make the best use of their budget.

Let me ask you, have you ever said to yourself, “I would love to travel and see the rest of the world,” or “I would love to have a more fulfilling and successful life?” After which you suddenly snapped back to reality and said—“Oh well.” Why do we say “oh well” and dismiss the many desires we have, never attempting to obtain them? Do we feel those things are for someone else? An elite group of people, or someone with an IQ off the charts? Statics show, 67 percent of the population has a general idea of what they want, but most never reach out to grab it—relationships, career changes, weight loss and many other things we long to have or do? Also answer this, why do we continue to go to a job we hate? I know—we need money to pay the bills, but everybody needs money, even the successful ones in life. Yet many have broken through the “invisible barrier” some believe, separates the winners from the losers. Also, is it possible many of us are victims of our past? I know for some, those are unsettling questions, but it’s not a coincidence why many are not pursuing their dreams, but is a result of what I call “The Passion Thieves!” Most of us are unaware of the many subtle passion thieves that steal our momentum in life. Before you sail to the stars, you must first discover what’s been dismantling your drive! If your life is mediocre and you would like to jump start your world, then this book will give you the edge you need. In “Discovering the Passion Thieves of Success and Unleashing the Real you,” I’ve combined a gentle mixture of life coaching, personal counseling, and years of practical experience to enhance your life in multiple areas, by exposing the many passion thieves around you. Learn: • How perceptions affect us • How your childhood may have affected you • The effects of Fear on your road to success • The seventeen passion thieves on your road to success • The passion thieves of marriage • The passion thieves of the blended family • The role of the reictoral activator in your life Discover what’s been stealing your drive to live your dreams, and start running the race of life to win!

Make the real estate market work for you! Whether your local real estate market is super-heated or sluggish, there are steps you can take to reach the right buyers, pick the best offer, and ultimately get top dollar for your home. Selling Your House: Nolo’s Essential Guide will take you through the process from start to finish. And, you’ll learn how to do it all in the shortest possible time. Real estate expert and best-selling author Ilona Bray gives you the inside scoop on: setting a price that will attract buyers finding the right real estate agent determining which repairs and upgrades pay off making legally required disclosures to buyers evaluating purchase offers, and negotiating and closing escrow successfully. Provides tips from industry pros—including real estate agents, attorneys, home stagers, and more—as well as stories from home sellers.

The role divorce plays on emotional stability can be devastating for many men and women—anger, resentment, and a sense of loss often linger well beyond the life and death of the marriage. Since much of the stigma of the past has been lifted, many are discovering that it is easier to work through these negative emotions, turning this life-altering event into a positive one by creating a better, more fulfilling life after divorce. Whether a marriage was short-term or long-term, the pain felt by the individuals involved in either type is often quite similar after it dissolves. There are also key behaviors and emotions unique to both the individual leaving the relationship as well as the one being left. What both partners have in common, however, is a deep sense of loss. Life After Divorce, Revised & Updated guides readers through this confusion, offering tips on how to heal, secrets to dealing with both new and old relationships outside the marriage, how to communicate with children caught in the crossfire, and how to deal with the effects of financial instability in the home. In this updated and revised edition of the classic book Life After Divorce, bestselling author and therapist Sharon Wegscheider-Cruse outlines the most common issues associated with the dissolution of marriages—abuse, addiction, lack of communication, money, career goals, social interests, and cheating are just a few. Readers learn how to navigate the divorce process without the added cost of unwanted attorney fees, the difference between a collaborative and mediation divorce, and how to choose which path is right for them. Also provided are two new chapters, one focusing on adult children whose parents have chosen to divorce later in life and how they can effectively deal with the guilt associated with feeling the pressure to take sides, and the other explains how technology plays a role in the dissolution of marriages. Wegscheider-Cruse believes that each and every person has the ability to grow from the trauma of divorce, coming out a better, well-rounded individual. Peace, fulfillment, and greater self-esteem are possible after divorce, as is achieving a loving and lasting relationship with a new partner.

Discusses the emotional, social, legal, and financial effects of late-life divorce. Millions of fathers are currently embroiled in the fight of their lives to win custody of their children. Wounded by the acrimony and greed that often accompany divorce proceedings, many wonder if they will ever again be an important part of their sons’ and daughters’ lives. With this landmark book, renowned men’s rights attorney Jeffrey M. Leving offers disenfranchised fathers true hope and meaningful advice certain to save years of anguish and possibly thousands of dollars.Drawing on more than fifteen years of frontline experience, Leving leads fathers through every twist and turn of the legal system and shows them how to protect their rights (and their children’s)—both before and during divorce litigation. This authoritative and accessible book covers every aspect of the custody process, including protecting the parent/child relationship as a breakup occurs; finding a competent and sympathetic lawyer; drafting a “Shared Parenting Agreement”; demonstrating parental competence when falsely accused of abuse; avoiding parental alienation; determining when to settle and when to litigate; techniques for dealing effectively with psychologists, social workers, and other domestic relations experts; and much more.Illustrated with vivid real-life examples, Jeffrey Leving and Kenneth Dachman’s practical guide is essential reading for the scores of American fathers routinely excluded from their children’s lives by a biased legal system in which avarice and recrimination too often overwhelm compassion and justice.

For the first time in paperback we bring you the authoritative and comprehensive guide for people who seek to protect their privacy as well as for anyone who’s ever entertained the fantasy of disappearing—whether actually dropping out of sight or by eliminating the traceable evidence of their existence. Written by the world’s leading experts on finding people and helping people avoid being found, How to Disappear covers everything from tools for disappearing to discovering and eliminating the nearly invisible tracks and clues we tend to leave wherever we go. Learn the three keys to disappearing, all about your electronic footprints, the dangers and opportunities of social networking sites, and how to disappear from a stalker. Frank Ahearn and Eileen Horan provide field-tested methods for maintaining privacy, as well as tactics and strategies for protecting personal information and preventing identity theft. They explain and illustrate key tactics such as misinformation (destroying all the data known about you); disinformation (creating fake trails); and, finally, reformation—the act of getting you from point A to point B without leaving clues. Ahearn illustrates every step with real-life stories of his fascinating career, from undercover work to nabbing department store employees to a stint as a private investigator; and, later, as a career “skip tracer” who finds people who don’t want to be found. In 1997, when news broke of President Bill Clinton’s dalliance with a White House intern, Ahearn was hired to find her. When Oscar statuettes were stolen in Beverly Hills, Ahearn pinpointed a principal in the caper to help solve the case. When Russell Crowe threw a telephone at a hotel clerk in 2005, Ahearn located the victim and hid him from the media. An indispensable resource not just for those determined to become utterly anonymous, but also for just about anyone in the brave new world of on-line information, How to Disappear sums up Ahearn’s dual philosophy: Don’t break the law, but know how to protect yourself.

1970- issued in 2 vols.: v. 1. General reference, social sciences, history, economics, business; v. 2. Fine arts, humanities, science and engineering.

All the law cohabiting couples need to know Laws that protect married couples . on property ownership, divorce, inheritance rights, and more . don’ t apply to unmarried couples. Nolo’s Essential Guide to California Divorce (2014)

Provides legal information to help same-sex couples exercise their rights and make sound decisions together.

This book is Part One of attorney Ed Sherman’s famous “How to Do Your Own Divorce in California.” This is where you get essential information for any kind of divorce—how California divorce laws affect your income, property, debts and children. Most important, you’ll learn how to solve disagreements without going to court. There are references to Part Two, but if you do not plan to do your own paperwork, you won’t need Part Two unless you want to use it to supervise a professional you hired to do your paperwork for you. If you decide you want the whole kit, you can get it for 50% off, so you won’t end up paying more than if you had bought “How to Do Your Own Divorce” in the first place. Specific to California, this book gives you practical and legal advice in clear, simple language that will answer your questions and guide you to a faster, smoother, less painful and less expensive divorce. Shows you how to stay out of court and complete your divorce with little or no help from an attorney. How to: • reduce conflict and avoid court battles• divide property fairly without a fight• deal with spousal support • deal with child support, custody and visitation • draft a settlement agreement

A thorough overview of the legal issues surrounding divorce and custody brings together information and advice from judges, lawyers, therapists, and others on the entire legal process, discussing such areas as parental kidnapping, good and bad custody agreements, domestic violence, blended families, selecting a lawyer, and more. Original. Explains Social Security Disability, discusses how to apply for benefits, and offers samples of all major forms required.

There is nothing else like it on the market. It is the most up to date and complete guide to same-sex relationships that exists.

Covers beneficiaries, property, children, executors, and estate planning, and tells how to draft a will and prepare, store, and copy the final will. Custody and Support: Get the Answers You Need When you’re getting divorced, you can make a tough time easier for yourself and your children if you work with the other parent to agree on a custody plan and child support. If you can’t resolve these issues, you’ll have to head to court and ask a judge to decide for you. Either way, Nolo’s Essential Guide to Child Custody & Support can help. You’ll learn: how negotiation and mediation can keep costs down and improve future dealings with your ex where to find your state’s child support guidelines how judges make custody decisions how to enforce and change custody and support orders how court trials work how Covid-19 is affecting custody arrangements and family court hearings, and when you need a lawyer and how to work with one. You’ll also find specifics about each state’s laws, including what factors courts consider when they rule on custody arrangements and what happens when one parent wants to move away with the children.
